Chapter 1 by SAMANTHA REINER

I was sitting at my desk watching everybody take their test. Of course, I was already done with mine. It was easy all I had to do was study and I did. The bell rang everybody got up from their seats and started heading out of the classroom. I gathered my stuff and got up. My pencil and my book dropped. I went to reach it but there was a hand. I looked up... it was a girl. She smiled at me.

"Hello, I'm Pammy Pan. I'm new."

"Uhh hi, I'm Mic William." She gave me my stuff and I started walking around her but she moved so I wouldn't get out.

"Can I ask you a favor?"

"Sure... what is it."

"Since I am new... you think you can show me around, everything is so different from my old school. You know what I mean right?"

"Uh ya, I'll show you around." We walked out the classroom together. I showed her all around the school. It was ok I guess, we had to go to the principal and tell them about how she was new

and stuff and how I was showing her around. They looked at me confused and said okay. But they said it in a weird way. I showed her my locker and then the bell rang and school was finally over. We started heading out of the door's until she said,

"Sorry Mic I have to go. I'll see you tomorrow I guess... bye!"

"Ok bye I guess." That was very odd cause she had her book bag with her already, and she looked very suspicious. Oh well she's just new.
